## CURRICULUM VITAE

KAITLYN PATRICIA ROLAND

### **1. MAJOR FIELDS OF SCHOLARLY OR PROFESSIONAL INTEREST**

My research aims to understand the care needs of older persons to ensure older adults have the option to remain in their own home environment and society as long as possible. Specifically, I examine functional abilities and caregiver needs in persons with Parkinson's disease (PD) and dementia. My training represents the *integration of physiology and health research* to support independence and well-being.

**My research program in physical and social gerontology in persons with PD, with a focus on public health to improve quality of life, is unique.** Even though I am early in my career, I have shown a commitment to excellence and aspire to be **leading researcher in this field.**

### **2. DEGREES AND DIPLOMAS**

DEGREE	FIELD	INSTITUTION	YEAR
PhD	Health & Exercise Sciences Health & Social Development	University of British Columbia	2012
<i>Title:</i> "Physical Function and Frailty in Persons with Parkinson's disease: a focus on females"			
MSc	Health & Rehabilitation Sciences	University of Western Ontario	2008
<i>Title:</i> "Creating a Burden Scale for Spousal Parkinson's Caregivers"			
BHSc	Health Science, minor medical sci	University of Western Ontario	2006

### **3. ACADEMIC POSITIONS**

#### **3.1. Fellowship Positions**

2012-present Post Doctoral Fellow (PDF)  
 2012-14 Canadian Institute of Health Research post-doctoral award  
 2014-16 Michael Smith Foundation for Health Research post-doctoral award  
 The Centre on Aging, University of Victoria, Victoria BC  
 • impact of dementia on Parkinson care needs and caregiver well-being

#### **3.2. Course Instruction**

2015 September-Dec Sessional Instructor Ageing 470 – 'Health, Family and Community Care Systems in Ageing' School of Public Health and Social Policy, Faculty Human and Social Development, University of Victoria  
 • revised content, delivery of online content, instruction, evaluation

2013 January-April Sessional Instructor Ageing 472 – ‘*Healthy Ageing*’  
2014 January-April School of Public Health and Social Policy,  
2015 January-April Faculty Human and Social Development, University of Victoria  
• development, delivery of online content, instruction, evaluation

### 3.3. Course Development

2012 Nov Ageing 472 – Healthy Ageing  
School of Public Health and Social Policy, Human and Social Development  
University of Victoria, Victoria BC  
• development of a new online course

2009 Jan Exercise Physiology I – laboratory  
Dept. Human Kinetics, University of BC Okanagan

### 3.3. Teaching and Research Assistantships

2011 January-April  
Teaching Assistant (Tutorial leader) - Exercise Prescription  
Dr. Gareth R. Jones, Department of Human Kinetics, University of BC Okanagan

2009 Jan-April, 2010 Jan-April, 2010 Sept-Dec, 2011 Sept-Dec, 2012 Jan-April  
Teaching Assistant (Sr. Lab Coordinator) - Exercise Physiology  
Dr. Jennifer M. Jakobi, Department of Human Kinetics, University of BC Okanagan

2010 May-September  
Research Assistant - Daily muscle activity (electromyography) in person with Parkinson’s  
disease *Functional assessments; daily muscle activity (electromyography)*  
Dr. Gareth R. Jones, School Health Exercise Science, University of British Columbia Okanagan

2009 May-September  
Research Assistant - Identifying Frailty among Community Dwelling Older Women  
*Grounded theory (qualitative interviews); daily muscle activity (electromyography)*  
Dr. Gareth R. Jones, School Health Exercise Science, University of British Columbia Okanagan

2008 September- December  
Teaching Assistant (Lab Coordinator) - Healthy Lifestyles  
Dr. Gareth R. Jones, Department of Human Kinetics, University of BC Okanagan

2008 September- December  
Teaching Assistant - Health inter-professionals: research & evidence-based practice  
Dr. Shirley Chau, Social Work in Health & Social Development, University of BC Okanagan

2006 September- December, 2008 January- April  
Teaching Assistant - Health and the Human Spirit  
Dr. Ann Schweitzer, Faculty of Health Science, University of Western Ontario

#### **4. SCHOLARLY AND PROFESSIONAL ACTIVITIES**

##### **4.1. Peer-Review Experience**

<b>YEAR</b>	<b>JOURNAL</b>
2015 -	<i>Leisure Sciences</i>
2015 -	<i>Journal of Alternative and Complementary Medicine</i>
2013 -	<i>Canadian Journal on Aging</i>
2013 -	<i>Journal of Aging and Physical Activity</i>
2012 -	<i>Applied Physiology, Nutrition and Metabolism</i>
